The LMSC Development Committee is planning peer-to-peer teleconferences for the following positions:

- **Running New Open Water Events:** March 10, 8:30 p.m. EDT/5:30 p.m. PDT
- **Marketing for clubs and members during the USMS Olympic Campaign:** April 14, 8:30 p.m. EDT/5:30 p.m. PDT

Teleconferences will each take approximately 1 hour. Email invitations are sent to those in each role in advance with dial-in information. Contact the [LMSC Development Committee](#) for more information.

The goal of these facilitated calls is to provide an opportunity for you to converse with your peers, pose questions, get answers, discuss challenges, and share successes related to your LMSC volunteer role. In turn, the LMSC Development Committee can use the information shared to help build a repository of best practices for each of our volunteer positions.

Notes from each P2P teleconference are posted to the appropriate USMS forum for that role (typically under LMSC Administration). Or contact the [LMSC Development Committee](#) for a copy.

P2P notes can be found in the [meeting minutes](#) section of [usms.org](https://usms.org).
