From The Masters Swimming Chairman - Ted Haartz

There is much confusion as to who we are and what our relationships are to FINA, AAU both local and national, the Competitive Swim Committee (CSC), U.S. Aquatic Sports, Inc. (USAS), and Penn Mutual-AAU Masters Sports. At this writing, Masters Swimming is, at least until November 1, 1980, an independent Sports Supervising Committee (we are not an NGB - National Governing Body; my understanding under P.L. #95-606 is that an NGB is one which supervises an Olympics/Pan Am sport) operating under the FINA rules, the AAU Code and the AAU/CSC Swimming Rules Guide with such amendments as are covered in the Masters sections of these three books.

The Masters Swimming Committee of the AAU, Inc. (our official title), as a result of Public Law #95-606 (The Amateur Athletic Act of 1978), is incorporated in the State of Ohio and is in the process of applying to the IRS for tax-exempt status. Both of these items would be essential to us if AAU were to dissolve or if Masters Swimming were to break away and go it alone.

At the present time, the Masters Swimming Committee is continuing to avail itself of the coverage under the AAU "umbrella" which provides for the registering of athletes, the sanctioning of meets, the insurance program, use of the emblem and seal, AAU officials, the tax-exempt status of AAU under current IRS rules, and the jurisprudence of the Code and Swimming Rules.

The CSC is another product of P.L. #95-606 as is USAS. We are not a member or affiliate of either body though we most certainly have parallel interests. First of all, FINA (the international swimming federation) will recognize only one aquatic sports body in each country. This is contrary to P.L. #95-606 which requires each Olympics/Pan Am sport to be a separate corporate entity; hence, U.S. Aquatics Sports is a corporate body currently composed of the separately run sports of swimming, water polo, diving, and synchronized to fulfill the FINA stipulation. Once again, where Masters Swimming fits into this structure is blurred; it appears that either a non-voting seat in USAS and/or with CSC, or an exchange of Ex-Officio members would provide a link to FINA and communication with USAS and CSC.

Penn Mutual-AAU Masters Sports is a marketing effort not unlike the Sears-Junior Olympics. Penn Mutual hopes to identify itself as a company interested in promoting physically fit and healthy adults. Because of the wide spectrum of sports

within the AAU, and AAU's marketing experience with other large corporate sponsors (Sears, Hertz, Chevrolet, Phillips, etc.), Penn Mutual is engaged with AAU in a program to help identify, promote and develop for the adult public those sports which can be beneficial to health. Jon Buzzard at AAU headquarters in Indianapolis is the liaison for this program, working with Penn Mutual, AAU and the various sports committees. I have asked Jon to be present at our Annual Meeting October 3rd at the Aquatics Convention in Snowbird, Utah, and if he cannot attend, I have asked him to provide us with (a) a summary of the services (in addition to registration) AAU will provide in 1981 in exchange for our fees should we continue to avail ourselves of this affiliation, and (b) a presentation of the Penn Mutual-AAU program now and as envisioned over the longer run.

Snowbird will be important to us all. We must try to make those decisions which will best insure the future growth of Masters Swimming. Under P.L. #95-606, we are not an Olympic/Pan Am sport. I have suggested that we proceed very slowly in that the AAU is a known entity to us, while CSC, USAS or going it alone would be somewhat of a blind adventure. With the changes wrought by P.L. #95-606, the seas around us in the form of AAU, CSC, The Athletics Congress (track & field) have been fraught with turbulence and until they all get their lane lines in place, I see little sense in joining the maelstrom.

The 1981 Short Course Nationals will be held in Irvine, CA, May 22-25. This is Memorial Day weekend. The 1982 Short Course Nationals will be held in Zone B (southern) and Long Course in Zone D (western). Anyone interested in bidding for these meets should write to be for bid forms and have them ready for consideration at Snowbird on October 3rd. And for 1983, Short Course is scheduled for Zone A (northeast) and Long Course for Zone C (central).

Lastly, I would remind all that the Code and Rules of Masters Swimming are printed as Article 30, pages 91-103, paragraphs 230.1 - 230.4 in the 1980 edition of the AAU Official Swimming Rules book. This book is available at \$3 from the Order Department, AAU House, 3400 West 86th St., Indianapolis, IN 46268.

MASTERS
SWIMMING NOTES

DOES THE PICTURE ON THE OPPOSITE PAGE PORTRAY THE FIRST MASTERS

SWIMMING MEET? - It could or, at very least, it could depict the first female Masters swimming meet. The picture is dated September 1, 1883, and appeared as a double-page layout in the London Graphic magazine. Nearly 100 years old, this print was discovered by Les Finnegan, secretary of the Nautilus Aquatic Club, of Washington, D.C., who has been hunting for more than 20 years for before-the-turn-of-the-century prints of competitive swimming (competitive, not just swimming). Obviously the competitors are mature women which places them in the Masters age categories, and there are enough different strokes shown to make it a meet. P.S. If anyone knows of any other swimming competition pictures of the 1880s or 1890s, Les Finnegan would like to hear about them. The original of this one will eventually be offered to the Swimming Hall of Fame in Fort Lauderdale.....

FIRST WOMAN TO LEAD YMCA - MONTCLAIR, NJ - Mrs. Dean K. Boorman, recently elected president of the Montclair YMCA, is the first woman chosen to serve as president since the YMCA's inception in 1891. She has been a member of the board of directors since 1969 and has belonged to the YMCA for 20 years. She has taught swimming and served two years as president of the Ripples, a women's synchronized swim group. The recipient of the 1978 distinguished service award, she has been assistant treasurer and most recently the vice president of the board of directors. Mrs. Boorman swims with the Jersey Masters and YMCA masters swim teams and has won four gold medals and two silver medals in competition at the National Masters AAU Long Course Swimming Championships last year.....

NEWSLETTER FOR CANADIAN AQUATIC MASTERS - A new newsletter for Canadian Masters (or anyone else wishing to subscribe) is in the works and should be getting off the ground this August. Title: MASTERS AQUATICS - CANADA, Cost \$4.00/year - 4 issues/year - Send your money and name and address to Whittall Publishing, P.O. Box 413, Schamberg, Ontario L0G 1T0, Canada.....

IT IS IMPORTANT THAT ALL MEET RESULTS BE SENT IN ON TIME IN ORDER TO INSURE THAT THE TIMES OF THE SWIMMERS WILL BE SUBMITTED FOR TOP TEN TIMES. ALL SWIMMERS SHOULD CHECK WITH THE MEET DIRECTORS TO BE SURE THAT THIS HAS BEEN DONE. IF ANYONE IS WORRIED ABOUT THE TIMES GETTING TO ENID, VOLUNTEER TO TYPE UP THE RESULTS FOR THE MEET DIRECTOR AND DO IT YOURSELF. YOUR TOP TEN TABULATORS ARE NOT RESPONSIBLE FOR TIMES THAT ARE NOT SUBMITTED PROPERLY AND ON TIME.
