**Subject:** 2017 Convention Update – Complete Packet is posted!

Good evening Convention Delegates, Attendees, and those who are unable to attend,

The [Complete Pre-Convention Packet](#) has been created and you are now able to download and/or print the complete packet all at once. It is recommended that **everyone** read the [Welcome Letter](#) and [Survival Guide](#) as well as all of the information in the pre-convention packet before arrival.

The U.S. Masters Swimming [House of Delegates meeting agenda](#) is finalized and posted.

USMS has gone **GREEN** and we ask that you either upload the pre-convention files to your electronic device that you will be bringing, print yourself or have printed at a local copy shop. Wireless Internet will be available in all meeting rooms, including the House of Delegates. Meeting minutes will be uploaded following each meeting and will be accessible from the [meeting minutes page](#) of the USMS website.

### **Goggle Drive 2017**

All donations to Swimming Saves Lives Foundation during the USMS Annual Meeting in Dallas will go toward purchasing goggles for adults learning to swim through our 2018 grant programs. Your gift will make a significant impact, and together we'll help more adults become safer in water and enjoy the many benefits of swimming. [Donate today!](#)

### **Remembrance List**

Please review the [Remembrance list](#) of USMS members who have passed away since the 2016 convention. This list will be read during one of the House of Delegates sessions. If you know someone who should be added to this list, submit their name to Membership Services ([membership@usmastersswimming.org](mailto:membership@usmastersswimming.org)) by Tuesday September 12th.

We are looking forward to seeing you in Dallas and don't forget your water bottle, extension cord and/or power strip!

Thank you for all that you do for U.S. Masters Swimming,  
Jessica
