DESCRIPTION

Steelman Racing Open Water Classic has been moved to May 16,2021, at Marsh Creek State Park in Downingtown, Pennsylvania. This race is the ultimate in open-water swimming! It is perfect for the veteran swimmer looking to test their endurance, or for new swimmers or triathletes looking to get some more experience swimming in an open-water setting. The Steelman Racing Open Water Classic provides the ultimate combination of clear, mid 60's degree water temperatures in a safe, well-supported racing experience. Swimmers can choose from the 1.5 or 3 mile individual age group competition or the three-mile relay completed by two different swimmers (each completing a 1.5 mile leg of the swim). Awards are presented to the top overall male/female, top overall male/female/ co-ed relays, and three deep in age divisions from 15– 80 years old. After the race, all athletes will be treated to an awesome post-race party with tons food and music. We hope to see you out there at this year's Steelman Racing Open Water Classic!
